NPC - PARENTAL INVOLVEMENT IN EDUCATION 28TH NOVEMBER - 7PM - CAMPUS 1

Next Thursday 28th November 7pm a member of the NPC will meet with parents to offer support and guidance around the role parents have in supporting their child's education.

The Parent Association is a structure through which the parents/Guardians in a school can work together for the best possible education for their children. As a new school, Scoil Íosa, we very much look forward to building our relationship with parents, working together to create a school where your children can flourish.

Please put this date in your diary, we hope that you can attend.
