Overview of Half Term

This half term at Scoil Íosa Oranmore has been filled with energy, creativity, and achievement across all areas of school life.

Pupils embraced many learning experiences, the most recent being EU Code Week and Maths Week, developing their problem-solving and digital skills, while visits like the author event at Oranmore Library inspired a love of reading and imagination. We proudly celebrated individual successes and team successes. Creative Schools teams, Student council, DT teams and many more opportunities for our pupils have been explored, established and flourishing.

Pupils across all levels have engaged in music and song evident in their class performances as well as whole school assemblies.

Through our website and Facebook page and weekly updates , we have attempted to share these moments with the whole community, highlighting the enthusiasm and teamwork that make our school so special. A heartfelt thank-you to our pupils, staff, and parents for their dedication and support—wishing everyone a safe, happy, and well-earned half-term break!

Halloween Dress Up & Fundraiser

This Thursday, children are welcome to come to school dressed in their favourite Halloween costume!

We're kindly asking for a €2 donation per child, with all proceeds going to some wonderful causes: Croi, MADRA, and Children's Health Ireland.

Sports Update - Connacht Schools Cross Country

A huge well done to the Fifth and Sixth Class girls on their fantastic achievement over the weekend – finishing second overall in the Connacht Schools Cross Country Event! Congratulations to

Patrick Quinn who also ran a fantastic race.

Science Week 10th Nov - 16th Nov

Science Week at Scoil Íosa Oranmore 10th - 16th Nov

As part of our annual Science Week celebrations, we are hoping to give our pupils an insight into the exciting world of Science, Technology, Engineering, and Maths (STEM). We would love to hear from any parents or family members working in areas such as Research & Development, STEM, Design & Technology, or Medicine who might be interested in speaking to our pupils about their work or sharing a short demonstration.

If you are available to get involved, please contact our STEM Coordinator, Ms. Laura Quinn, at lauraquinn@scoiliosaoranmore.ie, or get in touch with the school office at info@scoiliosaoranmore.ie.

Your involvement would help inspire the next generation of scientists, engineers, and innovators.
